WATER AND WASTEWATER REGULATORY OFFICE

On the basis of the authority granted to it under article 1.4 of Law No. 03/L-086, On Activities of Water, Wastewater and Waste Service Providers, the Director of the Water and Wastewater Regulatory Office (WWRO) hereby takes this:

DECISION

On amending for Appendix 1 to the Rule or disconnection of Water service by Water and Wastewater Service Providers in Kosovo (R05)

1. Amended the name of the Appendix of Notice, Disconnection, Collective Disconnection and Reconnection in ***Payment for Notice, Disconnection and Reconnection***.
2. Amended payment amounts in APPENDIX 1 to R05, for the following categories:

Serial No	Type of Service	Amount in €
01	Disconnection Notice Procedure– Disconnection warning	3.00
02	Disconnection of Water Service	20.00
03	Reconnection of Water Service	20.00
04	Repair of networks in Customers' premises	On the basis of prices for labour and material
05	Fine for not repairing the leakage on Customer's premises	100.00

3. This decision will apply from: 01.01.2015

Justification

Based on numerous complaints for numerous high amounts of processing notice-warning on payment, disconnection of water service and reconnection of water service and analyse the costs for these services, the WWRO deems appropriate the change amounts of payment-costs in APPENDIX 1 of R05 according to this decision enactment.
